

Examples for Coalitions and Partnership Module Reporting

Additional guidance: 1) if several options seem possible consider the organization’s role and contribution to the partnership or coalition when making a selection, 2) be as specific as possible when selecting from the options and 3) if possible, select option that is most appropriate rather than add “other”.

Partner	<Member’s Sector of Influence> field in Coalition Module	<Type of Member> field in Coalitions Module – (<Type of Partnership> in Partnership Module)
