Extender Enrollment Form Instructions and Demographics

Purpose:

The purpose of this form is to gather teacher or extender (youth or adult) information for use while entering data into the PEARS System.

Please have each teacher or extender complete this form once during the fiscal year for each site they are working at. Enter the number of students for each classroom the teacher or extender will be using SNAP-Ed Curriculum.

For example:

A Pre-school teacher with an AM and a PM group of children will complete two (2) lines for two groups of students

Line	Classroom(s)	Number of children age 0-4	Number of children age 5-17
1.	Classroom or Group 1	25	
2.	Classroom or Group 2	25	

Similarly, a PE teacher may complete 5 separate groups of classes that they are teaching a PA curricula with.

Line	Classroom(s)	Number of children age 0-4	Number of children age 5-17
1.	Classroom or Group 1		20
2.	Classroom or Group 2		22
3.	Classroom or Group 3		23
4.	Classroom or Group 4		21
5.	Classroom or Group 5		25

For sites that are **not** part of a public school, collect demographic information from the extender/teacher or the UCCE educator can make a visual estimate of the classroom or request site-level demographics.
