## REAL

---

**Afterschool I have lots of options: Gas Station Chips or hotdogs, Taco bell, Carl's Jr, or McDonalds.**

*I hate to eat in the cafeteria, it's too crowded.*

**I have to work to help mom support the family**

*I only get \$5 a day for food. That's not enough for a salad at lunch, but I can get 2 bags or chips, at lunch then a soda and candy for the walk home.*

*Lunch is always the same, you always know if its Monday it's always the same as any other Monday, if it's Wednesday it's always the same as any other Wednesday. It gets old*

**My mom won't let me go to the park to hoop it's not safe**

*My neighborhood only has a few sidewalks, mostly rocky paths that get muddy.*

*My School Doesn't have sports teams like other schools*

*My walk home from school is smog, trash, bums, gangs, and fast-food*

*Our Music Teacher teaches PE and she just has us walk the track.*

*Parks are covered in Graffiti & trash*

**PE SUCKS**

*The cafeteria salad it old, who wants to eat the same plan vegetables every day*

**The closest store is a quick stop they only sell a little bit of produce and it is usually going bad.**

**The park belongs to the bums and the gangs**

*The school is surrounded by fast food or liquor stores with cheap junk food*

*The water fountains at school are nasty*

**There are only 2 working water fountains, one in the gym and one in the cafeteria and they are gross. But there are 4 vending machines.**

**There is trash everywhere**

**Water cost way more than soda**

*We can't access the track after hours or on the weekend*

*We can't stay and play Basketball or football after school because it gets dark and isn't safe*

**We don't have a football field it's just mud, potholes and no grass.**

*We have 35 minutes for lunch, it takes at least 20 minutes to get through the lunch line. You have to choose to talk with friends or eat.*

*We have to cross a highway to get my little sister to school, I teach her how to j-walk when it is safe to cross.*

**We live right next to the plant, we just breath that air all day. No wonder my grandma is so sick.**

**Who wants to play basketball on broken tore down rims**

*You walk into the corner store by the school and all you see is chips candy and soda; how could you want anything else?*
